**YOUR MMBB REPRESENTATIVE**

MMBB is a church-based financial services organization. We believe that those serving churches and church-related institutions have a fundamental right to live in dignity. For nearly 100 years we have served church workers with financial products that allow them to provide for their families and their future. Our ministry seeks to provide financial benefits to all eligible church workers and to serve them with knowledge, understanding and passion.

**James Cook** serves as MMBB representative to churches within the following states: Colorado, Kansas, Missouri, New Mexico, Oklahoma and Texas. Before joining MMBB's staff in 1999, Jim served ten years in pastoral ministry in several California churches.

Jim has a bachelor of science degree from Lewis and Clark College in Portland, Oregon, and a master of divinity degree from Fuller Theological Seminary. In 2006, Jim earned his certification as a CERTIFIED FINANCIAL PLANNER™ professional and enjoys working with MMBB members to reach their financial goals.
