

Sharing Hope through the **North American Missions Offering**

Each year Churchnet receives an offering for North American Missions. The offering helps to support the work and mission efforts of the North American Baptist Fellowship. The NABF is one of the six regional fellowships of the Baptist World Alliance. It represents a diverse Baptist family in the US and Canada of approximately 20 million people of many different races and ethnic backgrounds. The NABF collaborates with Baptists around the world through the Baptist World Alliance. We are committed to working together to strengthen each other and ministry around the world through prayer, networking, sharing resources, and cooperative ministry ventures. Send your gifts to Churchnet at P. O. Box 508, Jefferson City, MO 65102 or give online at www.churchnet.org.
